To confirm that a satisfactory remote audit has been conducted by the undersigned Surveyor to Lloyd's Register Emea, in accordance with the LR Procedures for Approval of Service Suppliers for In-water surveys on ships and mobile offshore units.

Upon reviewing the submitted documents with satisfactory result, the Service Supplier was audited on the 31 March 2022 in order to ascertain that Ocetra SARL is duly organised and managed in accordance with the submitted documents, and that it is considered capable of conducting the services for which approval/certification is sought.

Certification is conditional on a practical demonstration of the performance of the specific service as well as satisfactory reporting being carried out.

A practical demonstration under LR supervision confirming the firm ability, remains to be conducted for obtaining the final Lloyd's Register Approval of Service Suppliers Certificate for In-water surveys on ships and mobile offshore units.
